b. Going concern

After making appropriate enquiries, the board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Financial review

The vast majority of the Trust's income is obtained from the DfE via the Education Funding Agency (EFA) in the form of recurrent grants to the Trust's academies (Revenue and Capital), the use of which is restricted to particular educational purposes. The grants received from the DfE during the year ended 31 August 2015 and the associated expenditure are shown within Restricted Funds in the Statement of Financial Activities.

At 31st August 2015 the net book value of fixed assets was £24,119,000 and movements in tangible fixed assets are shown in note 14 to the financial statements. The assets were used exclusively for providing education and the associated support services for pupils of the Academy.

During the year funding of £1,132,000 was invested in the Trust's fixed assets.

Key financial policies adopted or reviewed during the period cover Asset and Depreciation, Finance Procedures and regulations are set out within the Trusts Finance Procedures. In addition the Trust has approved policies on Fraud, Whistle blowing, Tendering and Expenses and charges. The Trusts procedures set out the framework for financial management, including financial responsibilities of Trustees, Executive Management Team, Head Teachers and finance staff centrally and in academies. Delegated financial responsibilities are set out within the Trusts scheme of delegation and the financial procedures.

Central support services have been developed covering educational support, finance, governance, IT, risk management, legal and human resources. These services will continue to develop as further academies join the Trust.

L.E.A.D. MULTI-ACADEMY TRUST (A Company Limited by Guarantee)

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2015

a. Reserves policy

The Board of Trustees review the reserve levels of the Trust annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves.

During this financial year three academies have joined the Trust contributing towards the current level of reserves as at the 31 August 2015.

The Trust in the short term will ensure some of the reserve funds are invested in the following:

- The Trust sees ICT provision in our academies as a key part of our children's learning. As such academies will be investing surplus funds to maintain and develop their ICT infrastructure.
- The Trust is committed towards maintaining its buildings and is developing a capital maintenance programme aimed at ensuring a long useful life for the Trusts assets.

Future financial cost pressures for each of the academies will also reduce the level of financial reserves in the long term.

The Trust is currently undertaking a review to identify and assess capital investment priorities and in addition, the DfE have yet to confirm the level of capital funding the Trust will receive going forward. The outcomes of these factors will inform the Trust's long term reserves policy. However as an interim measure, the Board of Trustees have agreed that the minimum level of reserves held for revenue purposes should fall no lower than £1 million across the twelve academies and teaching school.

b. Material investments policy

Trustees have adopted an Investment Policy which is included in the Finance Policy. It allows for surplus funds to be invested in low risk short term bonds with high street banks.

c. Principal risks and uncertainties

The major risks to the which the Trust is exposed, as identified by the Trustees, have been reviewed, and systems and procedures have been established to mitigate those risks. The schedule of risks are tabled and reviewed at all Board Meetings and mitigating actions are agreed as required.

Operational Risk

No current or soon to be joining academy faces any financial risk associated with falling rolls. A number of academies are working with the relevant local authority to increase planned admission numbers to meet local shortages of primary places. It is anticipated that expansion of pupil numbers is an opportunity to strengthen finances of academies. Nevertheless at the same time the uncertainties relating the next stage of the reform of school funding arrangements, the freeze on the Government's overall education budget, changes in funding arrangements for special needs pupils and increasing employment and premises costs are all contributing to cost pressure in future periods, which increases the importance of maintaining robust levels of revenue reserves.

L.E.A.D. MULTI-ACADEMY TRUST (A Company Limited by Guarantee)

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2015

Credit Risk

The Trust recognises exposure to credit risk is the risk that revenues (self-generated or government funding) cannot be collected, and the exposure to banks where the Trust's own cash is deposited. The credit risk is low for the Trust due to all cash and performance fee balances with banks have assigned high credit ratings. The Trust does not hold client cash balances or assets so are not exposed to client credit risk.

Liquidity Risk

Prudent liquidity risk management includes maintaining sufficient cash and interest-bearing deposits. To minimise this risk a high percentage of asset funds are held within flexible accounts. The Trust recognises that the defined benefit schemes deficits (Local Government Pension Schemes) as a significant liability, which is set out in note 24 to the financial statements, represents a significant potential liability. However, as the Trustees of the Trust consider that Trust is able to meet its known annual deficit contribution commitments for the foreseeable future, the risk from this liability is minimised and is manageable.

Plans for future periods

The Trust will continue to work towards delivering the following core characteristics in all of its Schools:

- the highest standards of behaviour and conduct;
- outstanding teaching and learning;
- a fully inclusive approach where all children are equally important;
- a climate of mutual respect between the children, staff and community;
- positive relationships;
- high aspirations for all involved with the schools – a 'can do' attitude;
- a wide range of enrichment opportunities for all to get involved;
- a celebration of all the cultures and faiths represented in the schools;
- an organisation where there are no excuses for underachievement.

The Trust plans for modest growth in the number of academies it runs. It is anticipated that by the end of the next accounting year there will be at least 12 to 18 schools within the organisation. The predicted combined annual turnover at that point will be approximately £30m.

Funds held as custodian trustee on behalf of others

None.

L.E.A.D. MULTI-ACADEMY TRUST (A Company Limited by Guarantee)

GOVERNANCE STATEMENT (continued)

Review of Value for Money

As accounting officer, the Chief Executive has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the Trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

- Changing its catering provision across a number of its academies from an out sourced provision to an in house provision. This has not only generated savings of £50,000, but has also enabled the provision of improved hot nutritional meals for our children and increased take up of meals at lunchtimes.
- The Trust now benchmarks on a monthly basis stationary product lines which has produced savings of up to 35% against a number of product lines.
- The process of renewals for photocopiers across our academies is generating savings of approximately £2,000 per academy.

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in L.E.A.D. Multi-Academy Trust for the year 1 September 2014 to 31 August 2015 and up to the date of approval of the annual report and financial statements.

Capacity to Handle Risk

The Board of Trustees has reviewed the key risks to which the Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Trust's significant risks, that has been in place for the year 1 September 2014 to 31 August 2015 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

The Risk and Control Framework

The Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the board of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines.
- delegation of authority and segregation of duties;
- identification and management of risks.

L.E.A.D. MULTI-ACADEMY TRUST (A Company Limited by Guarantee)

GOVERNANCE STATEMENT (continued)

The Board of Trustees has considered the need for a specific internal audit function and has decided to appoint Adrian Whiteley as internal auditor.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the Trust's financial systems.

On a quarterly basis, the internal auditor reports to the Board of Trustees on the operation of the systems of control and on the discharge of the Board of Trustees' financial responsibilities.

Review of Effectiveness

As accounting officer, the Chief Executive has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditors;
- the work of the executive managers within the Trust who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the the audit committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;

- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF L.E.A.D. MULTI-ACADEMY TRUST

We have audited the financial statements of L.E.A.D Multi-AcademyTrust for the year ended 31 August 2015 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law, the Academies Accounts Direction 2014 to 2015 issued by the Education Funding Agency and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Respective responsibilities of Trustees and auditors

As explained more fully in the Trustees' Responsibilities Statement set out on page 6, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors. This report is made solely to the Trustees as a body. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy Trust and the members as a body for our audit work, for this report, or for the opinions we have formed.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Academy Trust's affairs as at 31 August 2015 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Academies Accounts Direction 2014 to 2015 issued by the Education Funding Agency.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Trustees' Report, incorporating the Strategic Report, for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

INDEPENDENT REPORTING ACCOUNTANTS' ASSURANCE REPORT ON REGULARITY TO L.E.A.D. MULTI-ACADEMY TRUST AND THE EDUCATION FUNDING AGENCY

In accordance with the terms of our engagement letter dated 13 August 2015 and further to the requirements of the Education Funding Agency (EFA) as included in the Academies Accounts Direction 2014 to 2015, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by L.E.A.D. Multi-Academy Trust during the year 1 September 2014 to 31 August 2015 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to L.E.A.D. Multi-Academy Trust and the EFA in accordance with the terms of our engagement letter dated 13 August 2015. Our work has been undertaken so that we might state to L.E.A.D. Multi-Academy Trust and the EFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than L.E.A.D. Multi-Academy Trust and the EFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of L.E.A.D. Multi-Academy Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of L.E.A.D. Multi-Academy Trust's funding agreement with the Secretary of State for Education dated 30 August 2013, and the Academies Financial Handbook extant from 1 September 2014, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2014 to 2015. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2014 to 31 August 2015 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2014 to 2015 issued by EFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Trust's income and expenditure.

A summary of the work we have undertaken is as follows:

- Planned our assurance procedures including identifying key risks;
- Carried out sample testing on controls;
- Carried out substantive testing including analytical review; and
- Concluded on procedures carried out.

**INDEPENDENT REPORTING ACCOUNTANTS' ASSURANCE REPORT ON REGULARITY
TO L.E.A.D. MULTI-ACADEMY TRUST AND THE EDUCATION FUNDING AGENCY
(continued)**

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year 1 September 2014 to 31 August 2015 have not been applied to purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2015

1. Accounting Policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention in accordance with applicable United Kingdom Accounting Standards, the Charity Commission 'Statement of Recommended Practice: Accounting and Reporting by Charities' ('SORP 2005'), the Academies Accounts Direction 2014 to 2015 issued by EFA and the Companies Act 2006. A summary of the principal accounting policies, which have been applied consistently, except where noted, is set out below.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The Trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

1.3 Incoming resources

All incoming resources are included in the Statement of Financial Activities when the Trust has entitlement to the funds, certainty of receipt and the amount can be measured with sufficient reliability. For legacies, entitlement is the earlier of the Trust being notified of an impending distribution or the legacy being received.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the year for which it is receivable and any unspent amount is reflected as a balance in the restricted general fund.

Capital grants are recognised when receivable and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Sponsorship income provided to the Trust which amounts to a donation is recognised in the Statement of Financial Activities in the period in which it is receivable, where there is certainty of receipt and it is measurable.

The value of donated services and gifts in kind provided to the Trust are recognised at their open market value in the period in which they are receivable as incoming resources, where the benefit to the Trust can be reliably measured. An equivalent amount is included as expenditure under the relevant heading in the Statement of Financial Activities, except where the gift in kind was a fixed asset in which case the amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the Trust's policies.

Donations are recognised on a receivable basis where there is certainty of receipt and the amount can be reliably measured.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

L.E.A.D. MULTI-ACADEMY TRUST

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2015

1. Accounting Policies (continued)

1.4 Resources expended

Expenditure is recognised in the period in which a liability is incurred and has been classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Costs of generating funds are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

Charitable activities are costs incurred in the Trust's educational operations.

Governance costs include the costs attributable to the Trust's compliance with constitutional and statutory requirements, including audit, strategic management and Trustees' meetings and reimbursed expenses.

All resources expended are inclusive of irrecoverable VAT.

1.5 Tangible fixed assets and depreciation

All assets costing more than £500 are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and are carried forward in the Balance Sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the Statement of Financial Activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the academy's depreciation policy. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

A review for impairment of assets is carried out if events or changes in circumstances indicate that the carrying value may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a reducing balance basis over its expected useful life, as follows:

Long-term leasehold property	-	2% reducing balance
Leasehold improvements	-	2% reducing balance
Furniture and equipment	-	20% reducing balance
Computer equipment	-	25% reducing balance

L.E.A.D. MULTI-ACADEMY TRUST

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2015

1. Accounting Policies (continued)

1.6 Leased assets

Rentals under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

1.7 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1.8 Taxation

The Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.9 Pensions

Retirement benefits to employees of the Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes and the assets are held separately from those of the Trust.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quinquennial valuations using a prospective benefit method. As stated in note 25, the TPS is a multi-employer scheme and the Trust is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis. The TPS is therefore treated as a defined contribution scheme and the contributions recognised as they are paid each year.

The LGPS is a funded scheme and the assets are held separately from those of the Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and gains and losses on the settlements and curtailments. They are included as part of staff costs. Past service costs are recognised immediately in the Statement of Financial Activities if the benefits have vested. If the benefits have not vested immediately, the costs are recognised over the period vesting occurs. The expected return on assets and the interest cost are shown as a net finance amount of other finance costs or credits adjacent to interest. Actuarial gains and losses are recognised immediately in other gains and losses.

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2015

1. Accounting Policies (continued)

1.10 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received and include grants from the Department for Education.

1.11 Conversion to an academy trust

The conversion from a state maintained school to an academy involved the transfer of identifiable assets and liabilities and the operation of the school for £NIL consideration and has been accounted for under the acquisition accounting method.

The assets and liabilities transferred on conversion from Jubilee Primary School and Radford Primary School to an academy trust have been valued at their fair value, being a reasonable estimate of the current market value that the Trustees would expect to pay in an open market for an equivalent item. Their fair value is in accordance with the accounting policies set out for L.E.A.D. Multi-Academy Trust. The amounts have been recognised under the appropriate balance sheet categories, with a corresponding amount recognised in the Statement of Financial Activities and analysed under unrestricted funds, restricted general funds and restricted fixed asset funds.

Further details of the transaction are set out in note 28.

1.12 Agency arrangements

The academy trust acts as an agent in distributing charitable funds. In respect of charity funds raised, payments received from donors and distributions to the charity are excluded from the statement of financial activities as the trust does not have control over the charitable application of the funds. The funds received and paid and any balances held are disclosed in note 32.

1.13 Acquisition Accounting

The net asset values of the ELITE Academy Trust at the date it became controlled by the Trust have been accounted for under the appropriate balance sheet categories, with a corresponding amount recognised in voluntary income in accordance with recommended academy accounting practice.

Further details of the transaction are set out in note 28.

The Trust's employees belong to two principal pension schemes: the Teacher's Pension Scheme for England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by both the Nottinghamshire and Leicestershire County Councils. Both are defined benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2013.

Contributions amounting to £174,133 were payable to the scheme at 31 August 2015 (2014 - £129,199) and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2015

25. Pension commitments (continued)

Valuation of the Teachers' Pension Scheme

Not less than every four years the Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay (including a 0.08% employer administration charge (currently 14.1%));
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%

During the year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4% from September 2015, which will be payable during the implementation period until the next valuation as at March 2016, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The pension costs paid to TPS in the period amounted to £942,000 (2014: £603,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in Financial Reporting Standard (FRS 17) Retirement Benefits, the TPS is a multi-employer pension scheme. The Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2015 was £848,000, of which employer's contributions totalled £637,000 and employees' contributions totalled £211,000. The agreed contribution rates for future years are 18% for employers and varying rates of 5.5% to 7.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

As described in note 28 the LGPS obligation relates to the employees of the Trust, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the Trust at the balance sheet date.
